			Core Modules & Users: $	

Add-on Modules

Product Name	Description	Quantity	Price Each	Total Price
Intacct Web Services - Developer License	Provides rights to develop applications which access published Intacct Web Services enabling customers and partners to create, update and delete records via an interface rather than through the application. Includes 1 development environment. Required for third party or internal use development using Intacct Web Services.	1		
Intacct Platform Services - Standard	Intacct Platform - Standard includes the ability to deploy up to 2 applications on the Intacct Platform with up to 10 custom objects and 10,000 custom records. A minimum of Standard is required for the deployment of any Platform application, including Intacct Ready Partner or other 3rd party applications.	1		
			Add-on Modules: $	

Support

Product Name	Description	Quantity	Price Each	Total Price
Intacct Essential Support	Essential Support is included at no additional charge to all Intacct direct customers. Essential Support gives your company direct access to the Intacct Customer Portal - a single path to submit cases, check the status of cases and search our comprehensive knowledgebase for answers to commonly asked questions. This is also where your company can recommend product enhancements directly to Intacct as well as vote on product enhancement requests submitted by others. All online cases submitted during Support hours (6 AM -5 PM PT, Monday through Friday, excluding US holidays) will receive a response within 4 business hours either electronically via the Customer Portal or by Phone.	1		
Buy with Confidence Guarantee	Intacct distinguishes itself via its "Buy with Confidence" program. Guaranteed system uptime, disaster recovery protection, data security and response times are all included in Intacct's differentiating "Buy with Confidence" guarantee.	1		
Intacct Application Hosting, Infrastructure and Security Services	Hosting of Intacct Applications at a secure top tier data center, and disaster recovery services at a separate secure data center in a different geographic locale, described in detail in the Buy With Confidence program. Additionally, data is backed up to tape and stored off-site.	1		l

Total Annual Recurring Fees: $

PURCHASE AND LICENSE TERMS:
Use of licenses under this Agreement shall in all cases be subject to the Intacct General Terms and Conditions located at http://www.intacct.com/endusertermsandconditions/gtc, as amended from time to time, which are incorporated herein by this reference, with the same force and effect as if they were given in full text. Company represents that it has reviewed the General Terms and Conditions and expressly agrees to their incorporation into this Agreement as of the **Effective Date**, which is defined as the last signature date below, and in their then-current form on the date of any renewal of this Agreement. This Order Schedule will remain in effect until all User subscriptions ordered hereunder have expired or have been terminated. This Agreement also incorporates by reference the Buy With Confidence Program located at http://us.intacct.com/endusertermsandconditions/bwc.pdf. Prices shown above do not include any taxes that may apply.

IN WITNESS WHEREOF, the parties hereto have caused this Order Schedule to be executed by their duly authorized officers or representatives as of the Effective Date, either by signature below or by electronic signature through EchoSign.
